Introduction

This booklet provides a list of Priority Health Medicare's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Priority Health Medicare's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Priority Health Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 2015. An updated Pharmacy Directory is located on our website at prioritymedicare.com. You may also call Customer Service for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the State of Michigan, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the State of Michigan.

If you have questions about any of the above, including instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact Priority Health Medicare.

How do I find a Priority Health Medicare network pharmacy in my area?

The pharmacy directory lists network pharmacy locations by pharmacy type (Retail, Mail Order, Home Infusion, Long-Term Care and Indian Health Services/Tribal/Urban Indian Health Program (I/T/U)) and then alphabetically by city and pharmacy name. Chain pharmacies are listed alphabetically by location (Michigan and National). For contact information on Priority Health Medicare network pharmacies outside of the State of Michigan, please visit our website at prioritymedicare.com or call our Customer Service department at toll-free 888.389.6648, from 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

v: Indicates that this pharmacy participates in the Priority Health Medicare Part D vaccine network. If you get your Part D vaccination from one of the pharmacies in our vaccine network, then the pharmacy can bill us directly. You don't need to fill out a member reimbursement form. Your copayment or coinsurance will apply.

e: Indicates that this Priority Health Medicare network pharmacy supports electronic prescribing.

Priority Health has HMO, HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal.

Mail Order Pharmacy

Pharmacy Name	Toll-free phone number	TTY/TTD phone number
<p>You can get prescription drugs shipped to your home through our network mail order delivery program which is called "Express Scripts." Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Service toll-free 888.378.6648, from 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.</p> <p>If you have used mail-order services with your current plan before, or if you opt-in now, our network pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting Express Scripts by phone or email, just call 888.378.2589 or go online to expressscripts.com and create an online account or send a secure email. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.</p> <p>To refill your mail-order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.</p>
